

IQBAL ACADEMY PAKISTAN

RULES AND REGULATIONS FOR AFFILIATION TO OTHER

The Executive Committee of the Academy shall approve cases for the grant of affiliation to other institutions. The institution, applying for affiliation, shall submit an application along with other documents testifying to the following:

- 1) The institution is under the management of the government or of a regularly constituted Governing Body.
- 2) That the financial resources of the institution are sufficient to enable it to make due provision for its continued maintenance and efficient working.
- 3) That the institution has framed proper rules and regulations for its functioning.
- 4) The aims and the objectives of the institution are in line with the Iqbal Academy's objectives, as laid down in the Academy's Ordinance, 1962, and are not contrary to those.
- 5) The Director, Iqbal Academy shall represent the Academy on the respective Boards of Governors of the organization seeking affiliation.
- 6) The affiliated organization would undertake to furnish annual report of activities to the Iqbal Academy Pakistan.

The affiliation and cooperation with the Academy would be on the following:

1. To extend cooperation in publishing and outreach activities.
2. Cooperation in holding functions, exhibitions of books, meetings and seminars.
3. Assistance in the sale of books; suggestions and proposals for boosting their sale; providing sales outlets. The affiliated institution, in case it is located abroad, would also assist the Academy for the appointment of sale agents for the Academy's products.
4. Research on Iqbalism; patronage and encouragement for translation and research work.
5. To assess the academic and research requirements of their respective areas and plan for their fulfillment.
6. To manage foreign currency for the purchase of books and subscription of periodicals for the Academy.
7. To extend cooperation in other miscellaneous matters which are harmonious with the Academy's aims and objects.
8. The Academy may donate a set of its publications to the affiliated institution. In case the institution is interested in having more publications, the same may be provided to it at a special discount.
